

ABOUT ME

I am a 3D Animator, currently working at Brown Bag Films Bali. I graduated from Full Sail University in 2018 as a Salutatorian, with a Bachelor's Degree in Computer Animation. Since then, I've had the opportunity to work on a variety of projects, such as Previs, Films, TV shows, Ads, and VR/AR experiences.

Please feel free to reach out to me if you need animation work done, I'm a hard worker and will always deliver my very best!

WORK EXPERIENCE

• BROWN BAG FILMS BALI

Lead Animator (2024-2025)

Worked closely with the animation supervisors and other department heads to ensure that the team's animation meets the creative and technical standards. Responsible for overseeing the team's progress to maintain quality while working under a tight deadline.

Senior Animator (2022-2024)

Delivered hand-keyed animation for a TV series. Worked closely with the lead and animation supervisor, to maintain a high-quality animation in a fast-paced environment.

• LUMINE STUDIO

Lead Animator (2021-2022)

Delivered hand-keyed and mocap animation. Responsible for reviewing and maintaining the team's quality of animation. Researched and implemented new animation tools and systems for the studio. Worked closely with the rigging department and project supervisor.

Animator (2019-2021)

Responsible for creating hand-keyed animation for various projects. Applied understanding of storyboard composition and principles of animation to complete projects.

• THE THIRD FLOOR INC.

Animator (2019-2019)

Responsible for creating Previs and Postvis shots on multiple projects, using both hand-keyed animation, and motion capture data. Worked closely with the rigging department and supervisor to complete projects.
